

# THE ENFYYS

## RICH FARMER

The land of a rich man produced really well  
So he began reasoning with himself, 'What shall I dooooooo,  
since I have no room -- to store all of my crops? Where else to put them too?  
Do not worry about your life, do not worry about it now

What you will eat, what you will drink, what you will wear  
For the life is worth more than food - and the body more than clothing  
Which of you can extend their life - just a little bit by worrying?  
If you can't handle such a small thing - don't worry about the other things

I will tear down my stores and build bigger ones,  
and there I will gather all my grain and all my goods,  
will say to myself: "You have lots of good things stored -- up for many years;  
take it easy, eat and drink and enjoy yourself right now - oh oh.

What you will eat, what you will drink, what you will wear  
For the life is worth more than food - and the body more than clothing.  
Which of you can extend their life - just a little bit by worrying?  
If you can't handle such a small thing - don't worry about the other things

Think about your life, think about it now  
Think about your life, about it now  
Think about your life, about it now  
Think about your life, about it now

Then a stranger came and told him the following words:  
'Fool! This night your soul will be required of you;  
Who, then, is to have the things you stored up till now?'  
So pay attention to what treasures you collect.

What you will eat, what you will drink, what you will wear.  
For the life is worth more than food - and the body more than clothing.  
Which of you can extend their life - just a little bit by worrying?  
If you can't handle such a small thing - don't worry about the other things.
